Meet Our Team

Milwaukee Rental Housing Resource Center helps tenants and landlords with housing challenges.

Milwaukee Rental Housing Resource Center (MKE RHRC) is a collaborative network of local housing and related assistance programs. Our vision is to bring together the resources and organizations that successfully guide residents through a variety of rental housing related issues. From understanding your rental housing rights, to finding legal and mediation services, better understanding how to access rental assistance, and accessing training and education, MKE RHRC brings the expertise of several area housing experts under one roof.

ADDITIONAL SERVICES THAT SAVE MONEY AND ENERGY!

When you qualify for the Wisconsin Home Energy Assistance program (WHEAP) for your heating and electric bill, you can also access additional energy-saving and money-saving programs! Find them here and contact us for info!

FURNACE & WATER HEATER REPAIR - REPLACEMENT

If your furnace, water heater or boiler stops working, Emergency Heating System Assistance can help homeowners and renters! We cover costs for repairs provided thru the program. You may even qualify for a replacement! (*You and your landlord must qualify for WHEAP. 2- to 4-month dwellings must be owner-occupied.)

WEATHERIZATION PROGRAM

This program helps households with an excessive energy burden. Weatherization agencies assess your home for ways that can easily reduce your energy use, and might even save you money. Services differ with each home, depending on its construction and condition. Common services include:

- Insulating attics, walls and floors
- Reducing air leakage
- Installing energy-efficient lighting and thermostats
- Money-saving tips on maintenance and energy conservation

CRISIS SERVICES (SEE REVERSE SIDE FOR MORE INFO!)

You may be eligible for crisis assistance if you have no heat, are a first time customer, have a high utility balance or are running low or are out of fuel and do not have the money to purchase more. Crisis Benefits are an additional service provided to energy assistance recipients. Guidelines are set by Milwaukee County and are based on the availability of funds and the needs of your household. Crisis benefits may be issued in addition to your regular benefits. You may not file a fair hearing about Crisis Benefits.
